

HARRA LOU S. RAMOS

Full-Stack Web Developer | UI/UX Designer

Address: Pagadian City, Philippines

Phone: +63 969 576 0837

Email: harra.ramos26@gmail.com

PROFILE

Detailed-oriented Full-Stack Web Developer with strong specialization in UI/UX design and cross-device responsive development. Experienced in building mobile-first, user-centered systems optimized for desktop, tablet, and mobile devices—from wireframe to deployment—combining clean interface design, adaptive layouts, and solid back-end logic. A proven fast learner who independently explored tools such as Excel-based CRM systems and video editing through freelancing and self-driven projects. Reliable, adaptable, and capable of working independently or in collaborative teams.
